

Furniture Terms & Conditions...

(For orders placed via www.marksandspencer.com, in-store and over the phone)

These furniture terms and conditions of sale ("Terms and Conditions") apply to any order you place for T39 and T65 product categories through www.marksandspencer.com, in-store or over the phone.

All other terms and conditions are as stated in our General Terms and Conditions of Sale. In event of any inconsistency between these Terms and Conditions and our General Terms and Conditions of Sale, these Terms and Conditions will apply.

These Terms and Conditions will not apply to T84 (next day delivery) furniture products which are covered by our General Terms and Conditions of Sale. Please refer to the individual product pages for more details of the terms and conditions applicable to your order.

1. Delivery locations

- Furniture can only be delivered within the UK mainland, the Isle of Man and Northern Ireland. We are unable to deliver furniture to the Orkney Islands.

2. Payment

- All card/cash/credit/voucher payments will be processed on the day you place your order.
- If you've purchased your furniture using the Interest Free Credit option, your first payment will be taken approximately 6 weeks after the date your signed application is received and approved by us.

3. Our furniture products

- All our furniture complies with the appropriate safety standards for domestic use only; it is not intended for commercial use. It is also only suitable for indoor use, unless clearly stated otherwise.
- Images displayed as a guide only and may not be representative of the finished product. Fabrics are overlaid onto model images, so actual seams and pattern match may differ from what is shown.

4. Will it fit?

- Before you place your order, it is essential that you note your furniture's dimensions and check that it will fit into your home and into your chosen room and through all access routes (both internal and external). You will also need space should any assembly of the product be required by our delivery crew. To assist, a "Will it fit?" guide is available in store or from www.marksandspencer.com.
- If the product does not fit or if the access route is not suitable, we will be obliged to cancel your order and you will incur a £50 charge which will show as a separate charge. You will be refunded for the purchase price.

5. Check your order

- Please check your order confirmation documents carefully and ensure that the item, style, colour and quantity of the products stated match what you've ordered. If the details are incorrect or incomplete, please contact your ordering store or our Customer Services team (0333 014 8111) as soon as possible. Please see our Contact Us page for more details.

6. Delivery

Delivery of your furniture will be arranged as follows:

Estimated delivery date:

- For orders placed in store or over the phone, one of our customer services assistants will notify you of the estimated dispatch time.
- For orders placed online, the individual product pages will specify the estimated dispatch time.
- Please note that all of your products will be delivered in one delivery. If you order more than one furniture product, the delivery date we offer will be based on the product with the longest estimated dispatch time.
- We will contact you by phone within a few days of placing your order to let you know on which day of the week (Monday to Saturday) your delivery will take place.
- If you wish to delay your delivery, we can provide storage for your order at a cost of £25 per week.

Delivery booking confirmation:

- To help you prepare, we will write to you a week before delivery and let you know everything is on track or provide updated delivery dates.
- A few days before delivery, we will text or call you to confirm your two hour delivery time window. The delivery window represents the time during which we expect the vehicle to arrive with you.
- Should you need to change your agreed delivery date, we will do so free of charge provided you give us at least 3 clear working days' notice (not including the date of delivery) before your agreed date by contacting us by phone. Any changes after this point will incur a delivery re-arrangement fee of £50.

The delivery day:

- Please ensure all access routes (internal and external) are clear and that there is sufficient space in the room for the delivery crew to deliver (and where applicable) unpack and assemble your furniture. Our crew must have normal ground floor access and the access route and the room must be large enough to accommodate your order.
- On your delivery day, we will call you between 7am and 10am to confirm we are on schedule. Please note, if your delivery window starts before 10am, we will call you 15 minutes beforehand.
- If you have provided us with a mobile number, we will send an SMS (text) message to your mobile phone when the vehicle is approximately 30 minutes from your home.
- We take your security and peace of mind seriously, so all of our delivery crews carry and will introduce themselves to you with their ID card. All of our furniture delivery vehicles have a trained crew of two.
- On arrival, the delivery crew will unpack, position and, where applicable, assemble your furniture (excludes "delivery only" products – see below).
- The crew will ask you to inspect your products carefully before signing for delivery and any assembly. If you're dissatisfied for any reason, please inform the crew.
- All packing materials will be removed and disposed of responsibly in accordance with our Plan A commitment.
- If no one is available at your specified address at the time of delivery, your order will be returned to our warehouse and you will incur a delivery re-arrangement fee of £50.

7. Delivery only products

- Certain products within our range are supplied on a 'delivery only' basis and will require unpacking and self-assembly; instructions will be provided. If you order via our Website, this will be made clear on the individual product page. If you order in-store or over the phone, our customer sales assistant will inform you of this.
- These products will be delivered boxed for you to unpack and position yourself. Please unpack and check your furniture as soon as possible after delivery.

8. Delays

- Occasionally, the delivery of your furniture may be delayed or postponed. We will, of course, make every effort to keep you informed, minimise delay and discuss revised delivery timescales, but we shall be under no liability for any delay or failure to deliver your furniture if the delay or failure is wholly or partly caused by circumstances beyond our control.

9. Amendments

- Should you need to amend your order, please contact our Customer Services team on 0333 014 8111.
- If you amend your order, you may find there are changes to your delivery timescales and/or the price you pay for the product(s) (you will be charged the current selling price on the day you amend the order).
- You will not be charged to amend your order provided you give us at least 3 clear working days' notice (not including the date of delivery) before your agreed delivery date. Any changes after this point will incur a fee of £50.

10. Cancellations

- You have a statutory right to cancel your order within 14 days after the day on which you receive your furniture. If you wish to cancel your order, please call our Customer Services team on 0333 014 8111 and they will arrange a time for us to collect your furniture.
- All products returned must, when received by us, be in their original re-saleable condition and there will be a collection charge of £50 (which will show as a separate charge). Note that in all circumstances, you are responsible for any loss or damage to the furniture before it is received by us (except where caused by us) which will be deducted from any refund made to you.
- Please note that our goodwill refund policy does not apply to furniture. Once your cancellation right has expired, we will only give a refund in accordance with your statutory rights, for example, if the goods are not of satisfactory quality or as described. Please see our General Terms and Conditions of Sale for further details of your statutory rights.

11. Furniture Disposal Service (upholstery and beds only)

- This service must be ordered with your new product and cannot be ordered after you have placed your order. Removal is on a like-for-like basis only; for example, if you order a new 3 seater sofa, we'll collect your old 3 seater sofa.
- We will only collect products from the same address as your new furniture is being delivered to.
- The product(s) will not be removed if infested, wet, heavily soiled or dangerous to remove.
- You must arrange for bedsteads to be disassembled prior to collection.

12. After delivery

- If you are exporting your furniture abroad, please make sure you are completely happy with your product before shipping as we cannot arrange international collections or administer after sales assistance overseas. Please also check what customs formalities are involved, including payment of export or import duties.
- The life of your furniture depends on you looking after it according to the care instructions provided. Once you have taken delivery of your furniture, we will only give refunds in accordance with your statutory rights, for example, if the goods are not of satisfactory quality or as described.
- Where a good is faulty, you may, in accordance with your statutory rights, be entitled to a replacement, repair or refund. Note that where you return a faulty good to us more than 1 year after delivery, and you are entitled to a refund, we reserve the right to apply a usage deduction for your period of use. The refund you will receive will be calculated as follows:

Time period since purchase	Refund (as a % of the original purchase price*)
0 to 2 years	83%
2-3 years	66%
3-4 years	50%
4-5 years	33%
5-6 years	17%
7 years and above	No refund

*The original purchase price after any discounts which were applied.

- In the unlikely event that you have an issue with your furniture after delivery, we have a dedicated Furniture Customer Services team: Telephone number 0333 014 8111. Please see our Contact Us page for more details.
- We may ask you to provide photographs of your furniture. Once we have reviewed the photographs, we may deploy an independent furniture technician to come and inspect your furniture.
